Product Description

Colorful playground equipment for children aged 2 to 6. The playground equipment consists out of several platforms at different levels that are connected. From the top platform, with a height of 93 cm, leaves a slide with a stainless-steel slide plate and HDPE polyethylene edges. The highest platform is equipped with a balustrade with colorful metal railings, on which a steering wheel is mounted. The platform is accessible via a net climber, a two-fold platform staircase with metal tube railings and a wooden climbing arch. Numerous colorful fantasy elements such as the steering wheel, flag and different colored ropes give the whole the look of a boat. The roundwooden larch poles have a diameter of 10 cm and are fixed into or onto the ground using metal base supports.
