Concrete required  
No surface fixation available

### Product Description

Set of 2 polyethylene megaphones for metal poles for children aged 2 to 12. The metal tube of the megaphone is polyester coated and it attached to a metal pole by means of vandal-resistant aluminium mounting clamps. The metal poles (M048) are polyester coated and have vandal-resistant plastic pole caps. The poles have a diameter of 127 mm and a length of 190 cm. All metal parts are treated against rust.
