### Product Description

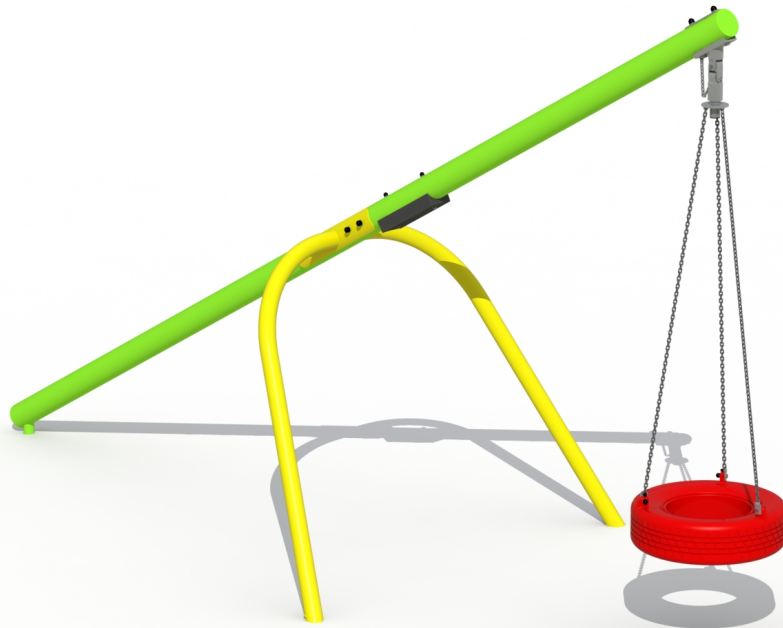

Metal group swing for children aged 6 to 15 years. The swing is made up of a metal tube with diameter 14 cm and 6 m length. The swing is supported by two yellow metal tubes with diameter 9 cm. At the end of the swing there is a tire on which children can stand or sit and with which they can swing. The rotation shaft is maintenance-free and made out of stainless steel. The swing is fixed directly into the ground by using concrete.
