Product Description

Play equipment in the shape of a red fireman's car for children aged 2 to 6. The children can enter the fireman's car via round crawl tunnels in the wheels of the car. At the back there's a stainless steel slide. The outside of the car is completely made of HDPE polyethylene. At one side of the car you can find a maze and on the other side of the car you can find a small abacus. The fireman's car is delivered almost completely pre-assembled. All nuts and bolts are completely covered with flower-shaped protection caps.
