

Versatile Embankment Slide

by
PlaydaleTM
Playgrounds

The Perfect Fit!

Gone are the days of needing a specific slope gradient to be able to install an embankment slide. Playdale's NEW Versatile Embankment Slide will fit gradients and heights of most existing banks or mounds.

From
£2,928

You can't beat the thrill of whizzing down a slide followed by the fantastic feeling when you land at the bottom! Slides make children squeal with joy and gives them a sense of speed and danger. Slides are a playground favourite for children of all ages.

- Durable stainless steel frame
- Ages 2-12 years*
- Almost any embankment
- Up to 25 year guarantee
- Virtually maintenance free
- Vandal & fire resistant
- Easy installation

Our NEW Versatile Embankment Slide will fit gradients and heights of most existing banks or mounds!
