

NOVUM

90200

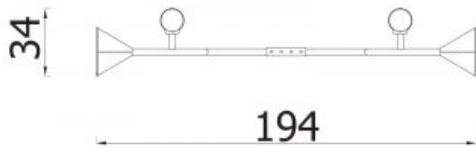

Description

Hello, hello ... do you hear me? A great device that is an additional playground equipment. It allows you to play the phone, acquaints kids with the world of sounds. A child standing next to one of the speakers (which also serves as a microphone) transmits messages to a colleague on the other side of the device.

The tube is made of the highest quality materials resistant to weather conditions, which guarantees long-term use.
