

NOVUM

3512EP

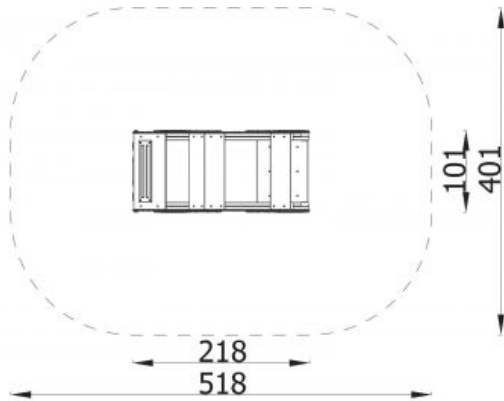

Description

It's time for a trip! We are leaving the city. Who will be the driver and who will be the passenger? The decision is difficult, everyone would like to drive, but there is only one steering wheel! Children must determine who is the first driver, who will take his place and how often they will change. Such games are a great way to practice the ability to set rules and then stick to them, they are a natural form of socializing children.
